

DVD Slideshow presentation boxes

We hope you enjoy looking through your proof CD. Once you have chosen your 100 photos and four songs, we will create your DVD slideshow and display it, alongside another copy of your proof CD and two photos, in the presentation box of your choice. Should you wish to order an album please contact us and we can arrange to meet up and discuss the different options available. Please go to www.affordyourwedding.com/albums.html for more details regarding albums. A pricelist can be sent upon request.

Take your time to choose your photos and when you have, please send us an email with the following details:

- 100 photo file references (numbers can be found in your proof book)
- 4 songs
- your choice of presentation box, including colour, from the selection below (dependent on availability) – please note €10 payment is required for the deluxe options.
